

AutolusAssist is at your service

AutolusAssist is a convenient way for patients, caregivers, and healthcare providers to find valuable resources and dedicated support throughout the CAR T-cell treatment journey.

We are here to Assist you

You can count on a dedicated AutolusAssist Case Manager for personalized end-to-end support. They are ready to answer questions you may have about insurance, Autolus CAR T-cell treatment, and support resources throughout the CAR T-cell treatment journey.

Contact AutolusAssist for support 24 hours a day, 7 days a week

Call AutolusAssist at (855) 288-5227 or visit www.AutolusAssist.com for more information.

AutolusAssist offers comprehensive patient support services to navigate the Autolus CAR T-cell treatment journey

Insurance support

AutolusAssist can support benefits investigations, prior authorizations, and claims appeals to help patients start on Autolus CAR T-cell therapy.

Benefits verification support

Verification of health insurance benefits, including coverage and out-of-pocket costs

Prior authorization support

Assistance with navigating payer's prior authorization requirements

Appeal support

Assistance with navigating payer's appeal requirements

Patient assistance

AutolusAssist offers several support services to help patients and caregivers during the CAR T-cell treatment journey*:

Support for uninsured or underinsured patients

Our Patient Assistance Program can help patients who are uninsured or underinsured to access Autolus CAR T-cell therapy at no cost.

Support for copays and out-of-pocket costs

- Commercial copay assistance can help reduce patient costs associated with Autolus CAR T-cell therapy to \$0 (up to a certain amount)
- Covers copay, coinsurance, and/or deductibles that commercially insured patients may be responsible for

Support from independent organizations

Numerous independent, nationwide programs offer a range of services for patients and their families, including emotional and educational support. Visit www.AutolusAssist.com to learn more.

Support for getting to and from a treatment center

Our transportation, lodging, and meal support program offers resources to help patients travel to and remain nearby their treatment center during key steps in the treatment process.

Transportation

Round trips between hotel and the treatment center

Lodging

Lodging in proximity to the treatment center

Meals

Meal expenses covered during stay

Patients and HCPs must complete and submit a Patient Support Enrollment Form to assess eligibility for AutolusAssist support services

Call AutolusAssist at (855) 288-5227 or visit www.AutolusAssist.com for more information.

*Based on certain eligibility criteria.
CAR=chimeric antigen receptor.

It all starts here

To avoid treatment delays, HCPs and Authorized Treatment Centers (ATCs) may work closely with patients to complete the AutolusAssist Patient Support Enrollment Form.

Note: ATCs may request the Patient Support Enrollment Form by calling AutolusAssist at (855) 288-5227 or emailing AutolusAssist@autolus.com
