OHOS HIGH PRIORITY BILL SECTION - Tier #1								
HB8	Require Biomarker Testing Coverage	WHITE A	Would require health benefit plan and Medicaid program coverage of biomarker testing under medically-appropriate circumstances.		2/18/2026 - REPORTED OUT, House Health, (Fifth Hearing)	OHOS provided proponent written testimony to the House Health Committee on 4/9/25. 2/18/26 Prior to the committee's vote, OHOS Members, Drs. Hofmeister and Saltzman provided written testimony.	Support	Tier 1 - High
HB21	Health Care Sharing Ministries Freedom To Share Act	KING A	To enact the Health Care Sharing Ministries Freedom to Share Act.	Purpose: To clarify that health care sharing ministries do not fall under traditional insurance regulation in Ohio.	5/12/2026 - Senate Financial Institutions, Insurance and Technology, (Second Hearing)	OHOS provided opponent written testimony to the House Insurance Committee on 3/18/25. Sponsor-only hearing in Senate on 2/10/26. OHOS opposes the lack of transparency for participants in the HCSM, but not the existence of HCSMs themselves. OHOS will continue to seek more disclosure language and patient protections as the bill continues its progress in the Senate.	Oppose	Tier 1 - High
HB214	Prior Authorization "Gold Card" Bill	MILLER K	Would exempt healthcare providers who consistently receive a high prior authorization approval rate for a specific service or treatment in a 12-month period from prior authorization requirements for that service/treatment. Also includes data collection provisions mirroring federal CMS requirements set to go into effect in 2027, which will require insurers to share program metrics on their public websites and with ODI on an annual basis.		5/20/2025 - House Insurance, (First Hearing)		Support	Tier 1 - High
HB219	Network Adequacy	DEETER K	To establish network adequacy standards for health insurers.	*Requires insurers to maintain adequate provider networks *Protects patient access to oncology care *Reduces "Phantom Networks" (No oncology access) *Requires sufficient provider participation	10/7/2025 - BILL AMENDED, House Insurance, (Second Hearing)	OHOS provided proponent written testimony to the House Insurance Committee on 10/7/25.	Support	Tier 1 - High
HB220	Prior Authorization Reform: Retroactive Denials, Peer to Peer, Appeals	WORKMAN H	Would ensure retroactive denial can only occur for non-covered benefits or lack of coverage at the time of service. Would require prior authorization appeals to be between the healthcare provider and a clinical peer, and require identification of the clinical peer (plan clinician) making adverse determinations. Would also prohibit insurers from charging providers to appeal rejected claims. Would require insurers to account for dosage adjustments in drug prior authorizations to treat chronic conditions.	*Requires insurers and Medicaid to honor a prior authorization approval if a provider prescribes a change in dosage for an approved drug *Prohibits retroactive denials of prior authorizations in most circumstances *Ends fees for providers appealing prior authorization denials *Increases transparency in peer-to-peer reviews by requiring disclosure of the clinical peer's specialty and relevant qualifications	4/15/2026 - Referred to Committee Senate Financial Institutions, Insurance and Technology [1]	OHOS and ASCO provided proponent written testimony to the House Insurance Committee on 10/28/25.	Support	Tier 1 - High

HB229	Establish Licensing Process, Contract Requirements for PBMs	DEETER K	To establish a stand-alone licensing process and new contractual requirements for pharmacy benefit managers.	Beginning July 1, 2027, the bill prohibits a PBM from: (1) using plan sponsor funds for any purpose not specifically set forth in writing by the PBM, (2) failing to disclose in written solicitation materials and at least once annually to contracted plan sponsors any ownership relationship of 5% or more between the PBM and an insurer, (3) failing to remit insurance premiums within the policy period or within the time agreed to in writing between the insurer and the PBM, and (4) failing to disclose in writing the method of collecting and holding a plan sponsor's funds. The bill specifies other prohibitions and requirements for a PBM. The bill also prohibits any person from soliciting a plan, acting as a PBM, or otherwise providing pharmacy benefit management services while the person's PBM license is expired. The bill specifies that whoever knowingly violates the prohibition is guilty of a fourth degree misdemeanor. The bill specifies that a PBM or representative of a PBM, beginning July 1, 2027, must not cause or knowingly permit the use of any advertisement, promotion, solicitation, representation, proposal, or offer that is untrue, deceptive, or misleading.	3/31/2026 - SIGNED BY GOVERNOR, eff. 90 days	OHOS provided proponent written testimony to the House General Government Committee on 6/3/25. OHOS provided proponent written testimony to the Senate Financial Institutions, Insurance and Technology Committee on 11/4/25.	Support	Tier 1 - High
HB429	Prohibit Reimbursement Reduction	HOOPS J		"payment reduction rules (how providers get paid)" *Prohibits insurers from lowering provider payment using benchmarks or pricing methodologies that are not tied to the actual clinical service delivered. *Aims to ensure payers honor agreed-upon payment structures rather than applying unilateral post-payment adjustments or external reference pricing. *Reduces unpredictable cuts driven by payer cost-containment tools, helping practices better forecast reimbursement for services provided.	10/21/2025 - House Insurance, (First Hearing) [2]	Prohibits denials for same day services	Support	Tier 1 - High
HB448	Apply Prescription Drug Rebates to Cost-Sharing Requirements (SB207 - companion/parallel version of similar concept)	BAKER R, BARHORST T	To apply prescription drug rebates to cost-sharing requirements.	HB 448 ensures that copay assistance counts toward a patient's out-of-pocket costs and prevents insurers from shifting more financial burden onto patients.	11/18/2025 - House Insurance, (First Hearing)		Support	Tier 1 - High
HB579	Regulate the use of artificial intelligence by health insurers (Companion Bill to SB164)	SCHMIDT J	To regulate the use of artificial intelligence by health insurers.	*Protects clinical decision-making: Ensures AI tools used by insurers do not override or replace physician judgment in oncology coverage and prior authorization decisions. *Improves transparency in denials: Helps address "black box" AI-driven determinations by promoting clearer, more accountable processes for coverage decisions. *Safeguards timely patient access to cancer care: Reduces the risk of inappropriate or automated denials that can delay treatment initiation or necessary therapies. *Aligns with OHOS advocacy priorities: Supports OHOS's ongoing efforts to reduce administrative burden, improve prior authorization fairness, and protect appropriate reimbursement for complex oncology care.	3/17/2026 - House Insurance, (First Hearing) [3]		Support	Tier 1 - High
HB589	Insurance Contracts - Material Amendments	MATHEWS A	The bill expands the definition of "material amendment to a policy, requires at least 90 days written notice before amendment can take effect and extends the objection period from 15 to 30 days while requiring a good-faith discussion before implementation	*Redefines "material amendments" to specifically include changes to programs, policies, or procedures, such as updates to a provider manual *Clarifies that insurers must provide written notice of any material amendment at least 90 days before it takes effect *Extends the timeframe for a provider to object in writing to a proposed amendment from 15 days to 30 days after receiving the notice Requires both parties to sign a written agreement before a material amendment can become effective, eliminating the current provision that allows for contract termination if an objection isn't resolved	5/12/2026 - House Insurance, (Third Hearing)		Support	Tier 1 - High

HB682	Prohibit Certain Insurance Practices (Physician Administered Drugs) - Whitebagging	CRAIG M, MANNING G	To prohibit certain insurance practices related to physician-administered drugs for patients with chronic, complex, rare, or life-threatening medical conditions. (Whitebagging)	<ul style="list-style-type: none"> * Pharmacy Freedom: Starting January 1, 2027, health plans would be prohibited from requiring physician-administered drugs to be dispensed only by specific in-network pharmacies. * Patient Protections: Insurers could not impose additional fees or higher cost-sharing requirements based on a patient's choice of pharmacy for these treatments. * Medical vs. Pharmacy Benefit: Prevents insurers from forcing providers to bill for these drugs under a pharmacy benefit rather than a medical benefit without the patient's informed consent and a physician's attestation. * Physician Autonomy: Designed to ensure that physicians can deliver care quickly and efficiently without harmful delays caused by insurer-mandated distribution channels. 	3/17/2026 - House Insurance, (Second Hearing)	Whitebagging - community practice focus only - 3/17 hearing - Live testimony by Dana Zager/Zangmeister, Marlo Blazer/Columbus Oncology and Randy Drosick MD/OHC (independently).
